

Vigilant in Independent Championship for the Fifth Time

HOW FIGHT TITLES HAVE BEEN HELD

Historic Battles in the Prize Ring Are Recalled by Dates.

CALIFORNIA IS LEADER

Champions in Every Class Have Claimed Golden Gate City as Their Home.

How many followers of the sport of boxing remember the dates of the many championship bouts that have been held? The New York Press, becoming disgusted with the poor judgment displayed by his fellow writers in announcing champions at random, has gathered together some valuable information.

The exact date of the time when the various titleholders held the various championships makes interesting reading, and is of great value to those who follow the sport.

The figures are appended:
